

GOODY BAGS

R&DA Invites Your Company To Contribute Products For Our Goody Bag Program

The supplier-sample program is one of our most successful efforts to bring your products to the attention of ALL attendees at our meetings. Each attendee will receive a "Goody Bag" full of products, samples, and promotional items donated by our members and meeting attendees. You should consider participating in this superb program. We expect about 300 attendees to join us at The Westin La Paloma.

Regardless of the degree of participation, you are encouraged to support this long-standing R&DA tradition. Companies have been providing samples to attendees at our meetings since 1950! This is a prime opportunity to advertise your company and your commitment to R&DA.

Our meeting will be held in Tucson, AZ at The Westin La Paloma, May7-9, 2024. Be assured that whatever you provide will be presented to attendees. ***Due to the great success of this program and the wide support, we will not be able to include any item more than 12 ounces, provide refrigerated storage for goody bag items, accept more than three (3) different items per company, or accept advertising literature and any received will be discarded. Product coupons are acceptable. This is necessary to ensure that all items are included in the goody bags.***

Provide any items that you deem appropriate to arrive after May 1, 2024, and not later than *May 3, 2024*, to:
